

VOLUNTEER FORM 2010 CHAMPIONSHIPS

In 2005, the KIDA By-laws were amended to read: "All qualified units in the KIDA Championships must provide a minimum of one (1) volunteer, per competitive unit, to staff the administrative function of this event". In accordance with this directive, please complete the form at the bottom of this page and return it, by *March 13th* to:

Every effort will be made to schedule volunteers to insure that their work schedule does not conflict with their unit's performance schedule. Job assignments will be one (1) hour in duration and be chosen from one of the following:

Hall monitoring—South Western has assigned each unit to a classroom and the hall monitors are expected to proctor the halls and rooms to ensure that a safe and orderly environment is being maintained.

Program seller-----A program table is set up in the main lobby for persons wishing to purchase Championship programs.

Favorite instructor table—Volunteers will monitor a table where containers are available for spectators and students who may wish to cast a vote for their favorite instructor (penny a vote)—votes are counted and the winner is announced at the Awards ceremony.

A volunteer check-in table will be located in the main spectator entrance lobby and volunteers should report 10 minutes before their assigned work schedule. Volunteers will be notified, via email, of their assignments as soon as the final schedule can be completed.

For their services, volunteers will given a red wrist band at the admissions booth when they arrive which will entitle them to sit on the back bleachers for all performances. If they wish they can trade their wrist band for a general admission wrist band and pay half of the general admission price.
