Frederick, MD 21701

Dear Directors and Instructors:

We are very excited to be hosting our 14th annual KIDA Indoor Colorguard and Percussion show. Enclosed is information for the show including show schedule, directions, area map, floor map and concessions menu.

Our show will begin at 4:00 PM on Saturday, February 12th. If you have any questions, please feel free to contact me at 301-514-5109 or email me at HillmanMAH@aol.com. You may also contact Mr. Nick Gasemy, GTJHS Director of Bands at Nicholas.gasemy@fcps.org.

ADMISSION: Adults - \$10.00 Students/Senior Citizens - \$6.00

COVID Protocols: Current FCPS guidelines require masks at all indoor locations. If additional requirements are implemented by FCPS before our show date, you will be notified by email.

STAFF/CHAPERONE WRISTBANDS: Each unit will receive 10 wristbands (2 Director and 8 staff) as per KIDA rules. All others in excess of these 10 wrist bands, including chaperones, will be expected to pay admission. Your wristbands are available in your unit's information packet at check-in. All student members will be stamped at the registration table.

TRUCK PARKING: Equipment Trucks will drop off percussion and guard equipment at the Registration location and then move to the Gym Parking lot to offload props and park. To get to the Registration location, enter by way of Motter Ave. (see Directions included in this packet). All props and floor covers will be dropped off in the gym lot (*see enclosed map*). A band parent will direct your equipment vehicles to where they can unload and store any large equipment that is not needed for warm-ups. All equipment will be unloaded through the back doors of the gym after your performance. Your equipment vehicle will be in this parking lot not far from where you may load.

BUS PARKING: Buses will drop students in the rear parking lot closest to the football field (*see enclosed map*). The buses will park in the stadium lot near student drop off. There will be spectator parking on the left side of the school, closest to the auditorium (*see enclosed map*). Additional parking is available in the south lot, closest to the football stadium.

DRESSING ROOMS: All groups will be given space in our auditorium to keep their belongings. There are restrooms directly off the auditorium that will be used as dressing rooms. **No other restrooms should be used for this purpose.** Please note that you are responsible for your personal belongings during the show.

BODY/EQUIPMENT WARM-UP AREAS: The color guard units will be warming-up in various hallways throughout the school and will travel to our auxiliary gym for equipment warm-up. Units will have to travel outside in order to enter the equipment warm-up area. Please make sure that all participants have footwear when moving from the body warm-up to the equipment warm-up area. Percussion units will be able to warm-up in assigned areas of the high school or find an area outside the building if weather permits. Your student host will assist you with finding the appropriate area. Please be observant of your times to keep the show moving effectively. Also advise the members of your group that there will be no spinning of equipment in the hallways or dressing rooms. We have a relatively new gym floor so we will inspect all equipment before it enters the performance area. Please make sure that all equipment is taped/padded properly and will not cause damage to the gym floor. Each group is responsible for any damage to the host floor as per KIDA rules.

FLOOR MAP: Please see the attached gym map- floor is a horizontal timing line.

DIRECTOR/STAFF LOUNGE: There will be light snacks and beverages provided in Director's lounge (see map). Please no students in this area.

JUDGES CRITIQUE: The judge's meetings will take place in the Media Room after each part of the show. Your score sheets will be available at that time.

WIFI: Our wifi password will be attached to the director's packet given out at the check-in table.

SEATING DURING SHOW: The visitor's side will be available for all participants to watch the show. Please make sure that your members sit in this area since the spectator side is for paying spectators only.

P.A. ANNOUNCEMENTS/SOUND CHECKS: Please type all announcements and have them ready when you check-in. We request that any uncommon names be respelled phonetically to assist our announcer with pronunciations. This is especially important when including the names of selections to be performed. Sound checks may be done before the show, after the Bronze Guard performances, and the intermission between the gold and white guard portion of the show. (See show schedule)

AWARDS: All groups will receive a Plaque or Certificate after the show. Have your unit representatives meet in the auxiliary gym 10 minutes prior to the awards start time.

Sincerely,

Mike Hillman
