- All KIDA rules apply.
- School rules state **NO SMOKING** in the building or anywhere on school property (*not even outside in the parking lot*). NO alcoholic beverages or controlled substances allowed in buildings or on campus.
- There should be *NO food or drinks* in the Gym, Warm Up Rooms or Classrooms.
- **Student performers should NOT change into or out of uniforms in the Restrooms closest to the Gymnasium** as these are for Spectators. They should change in Restrooms near the Band Room (500 wing) or near their assigned Classrooms.
- **Directors should email Music Performance Recordings in MP3 file format to Dr. Richardson at krichardson@ldsd.org AT LEAST 5 DAYS PRIOR TO THE SHOW.** Include the name and date of the show in your email, along with Group Name, so we can have them organized and ready for show day.
- **Sound Checks** are from **1:30-2:30 PM**, with the first performance at **3:00**. A Guard Awards Ceremony will be held during Intermission, and Percussion Awards at the end. (*Times are subject to change.*)
- Performing groups will enter the Gymnasium at the front left (from main Audience/Judges view) and exit at the back right. You will be allowed to unfold your mat to a vertical center line and move halfway on to the Gymnasium floor from left to right, as directed by judging staff.
- LD Booster volunteers will lead your group from your Classroom to Warm Up Rooms and then to the performance Ready Area outside the Gym.
- **After your performance, your group and all equipment/props will immediately EXIT TO OUTSIDE for loading.** You may want to have Chaperones bring along slip-on shoes or jackets for students. *Read the **NEW LOADING INSTRUCTIONS** below!*
- Judging information will be provided in Competition Suite.
- General Admission prices are \$10 for adults, \$5 for students and senior citizens.
- Face Masks are encouraged but optional, and Hand Sanitizer will be available throughout the school.

ARRIVAL AND CHECK-IN INSTRUCTIONS:

- We request that you schedule your arrival to Lower Dauphin for **NOON or later**.
- When you arrive at the LD High School, performers should be dropped off at the front of the school in the **Bus Circle (YELLOW ROUTE)** on Map - enter from S. Hanover St. and turn right).
- See attached School Grounds Map for more parking info and School Map for show layout.
- **Equipment trucks and trailers** should stay to the left when entering from S. Hanover St. (**BLUE ROUTE**). A Parking Attendant will move barriers so they can pull up to unload at the back of the school, and equipment will be brought in Exit #14 near the Band Rooms.
- Trucks, Trailers and Buses should all park in the Lower Bus Lot down past the tennis courts.
- Upon arrival, groups should report to the **Registration Table** right inside the Main Front Entrance, where volunteers will greet you, help with paperwork, and guide you to an assigned classroom.
- Staff and Chaperones must monitor their **Classrooms**, and students should NOT be left there unsupervised. Please do not touch the teacher's desk or supplies or any equipment. All trash should be thrown away, and the room should be left in the same condition as when you arrived.
- During check-in, your group will be provided with **10 Admission Wristbands**, including 2 specially marked for Directors. These must be worn to get into the Gym to watch performances. The 2 Directors are allowed to sit in the front audience bleacher section. Other staff, performers, chaperones and drivers must sit in the back bleachers. Anyone without a wrist-band must pay admission.
- Student performers should be present at Registration as they will be **hand-stamped**.

POST-PERFORMANCE AND LOADING INSTRUCTIONS:

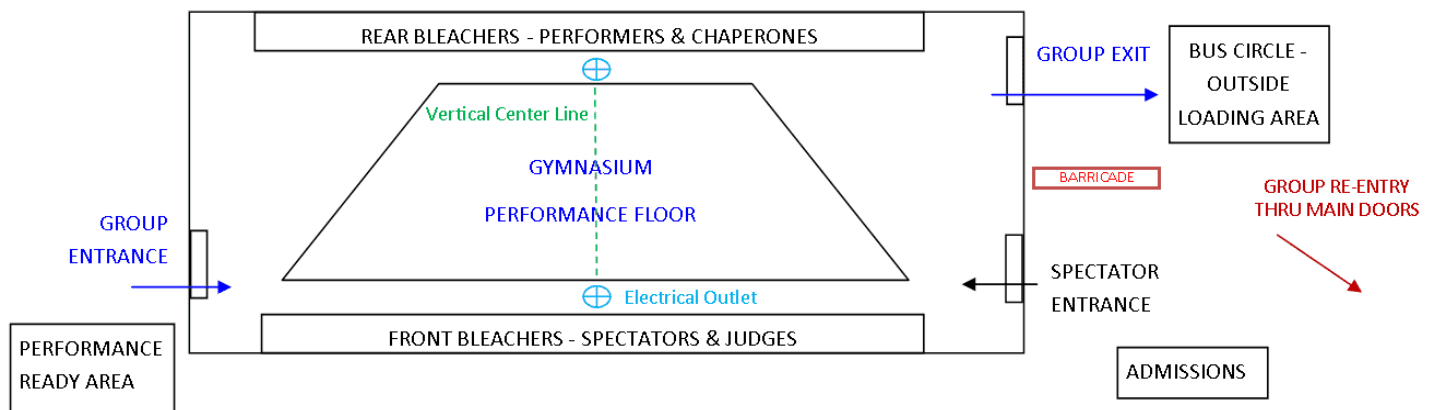

- Following your performance, your group will exit the Gym at the back right, cross the hall, and **IMMEDIATELY EXIT TO OUTSIDE** to load your equipment in the Bus Circle.
- See attached Gym Layout Map for more details.
- In case of inclement weather, you may want to bring slip-on shoes and jackets for your performers.
- Give your equipment driver your performance time, or call them, so they are ready to pull up to the loading area as soon as you finish.
- You are expected to be able to load in **15-20 minutes**. If you think it will take longer, we recommend you park your truck/trailer further away and bring equipment to it. Please **DO NOT** block the loading area for a long period of time! Volunteers may ask you to move if you have been there for too long.
- To re-enter after loading, performers and staff will walk a short distance along the Bus Circle and come back in through the Main Front Entrance by Registration. If it is very cold, performers can wait in the main lobby or vestibule areas, and there is an overhang to protect equipment waiting to be loaded.
- NO performers, staff or equipment will be permitted to remain in the hallway outside the Gym or walk past the Guest Entrance or Admissions Table after performing. All equipment and props must be taken immediately outside. Please contact us ahead of time if you foresee this being a problem!
- **Our goal is to keep that hallway clear so that groups do not encounter any delays as they are trying to quickly get off the Gym floor!** We have made these changes based on feedback from prior shows, and we appreciate your cooperation.

Please pay special attention to the attached information about our **EQUIPMENT INSPECTION**. This information should be shared with all of your instructional staff.

There will be members of our Band Booster Association available to help you in any way possible. Just look for someone wearing a "Volunteer" badge or stop by the Command Center near the Café.

Wishing your units the best of luck and a safe trip to and from the Lower Dauphin!

LOWER DAUPHIN HIGH SCHOOL GYM LAYOUT:

EQUIPMENT INSPECTION:

Due to major damage to our gymnasium floor in prior years at our indoor shows, it has been requested by our school administration that we as a booster organization do everything possible to ensure no damage occurs to our gymnasium floor again. We need your help to ensure the floor surface is preserved. Performing groups will be responsible for any damage they cause to the gymnasium floor.

We will be inspecting your equipment and props as you first enter the school and in the staging area prior to your performance. Please be courteous to our volunteer inspectors, as they will be courteous to you. If we find a piece of equipment that we feel does not meet our criteria, we will do our best to accommodate, but we suggest you check equipment prior to arriving at Lower Dauphin High School.

We are asking that all of your equipment meet the following criteria:

- All equipment with wheels must have **wheels that are at least 1 inch in diameter**.
- Please have **rubber tips** on all stands with metal feet.
- You should bring a **mat** to put down for extra floor protection.
- Any props, equipment, instruments or carriers that may do damage to our gymnasium floor will not be permitted.

If you have a piece of equipment that you feel does not meet these requirements, contact me immediately, and we will work with you to get your equipment up to our standard for use on our gymnasium floor. We sincerely hope that you can understand why we need to take this approach to ensure the integrity of our gymnasium floor. Any concerns or questions are to be directed to the Director of Bands at 717-566-5352 or krichardson@ldsd.org.

Sincerely,

Dr. Keith Richardson
