2022 KEYSTONE INDOOR DRILL ASSOC. CHAMPIONSHIPS

Welcome to the 2022 KIDA Championships!

As our 41th season comes to a close (with COVID we missed a big 40th year celebration), KIDA Championship weekend is an opportunity to celebrate the fact that we are all together again and ‘back in the gym’ as well as our accomplishments throughout the season. I know in many ways the past few years have been a struggle, but even with that the growth of so many units have been extraordinary again as performers are pushing themselves to be their best, instructors and designers explore the innovative ways to make their programs grow and parents, fans, and supporters look for new ways to cheer and encourage those that they love to reach for their greatest performance.

As a community, we need to continue to help ensure that all are welcome with open arms into the KIDA family with new units, instructors, and performers each year. Reach out and help those around us. Only when we act as a collective and cohesive community do encourage the growth of our activity.

Please do YOUR part to make sure your entire group (students, staff & parents) are aware of the information they need to know to help everything run as smooth as possible (this includes making sure your parents know the KIDA Videotaping policy, no food policy, etc. as well as which classification your unit is in..it’s amazing how many don’t know when they get to the box office). With your help, we can all ensure that the 2022 KIDA Championships is an event that everyone will enjoy. There are regulations as to what you can bring into the gym (bag security, etc), please make sure you review this & as pass on the information to your staff, Unit members & their families.

The 2022 KIDA Championships will be hosted again at Chambersburg High School, and we thank them for welcoming us into their school. This is a HUGE undertaking, and we want to thank Chambersburg Band Director Nicole Albright, as well as Dawn Abraham, Kathryn Findley and music boosters and staff for all their hard work.

Please review this packet carefully THERE IS NEW INFORMATION. Make sure you are following both KIDA and Chambersburg HS rules outlined in the packet to help your day run smoothly. There is NO masking policy currently at Chambersburg but follow what your school/district requires for your students.

If you have any questions, please feel free to contact any member of the KIDA Board of Directors and Administration. We are happy to help you with your units needs as you prepare for your important day.

Thank you for your continued support of the Keystone Indoor Drill Association. With your hard work and dedication, we are ensured that KIDA will continue to prosper and provide an exciting educational performance outlet for our students for years to come.

On behalf of the entire KIDA Board of Directors, we wish your unit all the best of luck with your Championship Experience!

Best Wishes,

Carol Bieler, Championship Coordinator & KIDA Board of Directors
